My dear Sir,

In acknowledging, with thanks, the receipt of your D.O.letter No.6702 dated the 16th September 1914, I am desired to state that "The Near East" being a high class English Journal devoted mainly to oriental politics, the number of institutions in this State to which it can be usefully supplied is limited.

~~Moreover~~, The Mahomedan population for whom this journal is mainly intended forms ~~is~~ 5.41 per cent of the entire population of the State, ~~of whom it is~~ and ~~only~~ very few of them ~~that~~ can understand English.

In the circumstances, 25 copies seems sufficient for the present. I am accordingly to request that arrangements may kindly be made for the supply of 25 copies of the journal to the Durbar for a period of one year.
